Enthusiastic Road Meeting at Bigelow.

In accordance with a call issue for a convention of delegates from each school district of the county, a very enthusiastic good roads meeting was held at Bigelow, Saturday, April 9, in which 94 delegates, representing 47 districts, were present and petitions were sent in by numerous others who could not attend. There were 150 or more in attendance, including visitors. The minutes of the meeting are as follows:

The meeting was called to order by Senator Glick, acting as county chairman. Mr. J. G. Norman was regularly elected chairman of the meeting, as was J. C. Morris, secretary. A committee on credentials was appointed and all delegates present with proper credentials received.

On motion by Judge Fred Lawrence, a committee on resolutions was appointed as follows: Judge Fred Lawrence, Frank Walker, George Minton, Henry Feil, William Tyson. Following the appointment of the resolutions committee, the meeting was thrown open for discussion of the business in hand. Several of the delegates expressed their opinion on the obtaining of Holt county's portion of the \$60,000,000 road bond issue in accordance with pre-election promises of the Missouri Good Roads Federation.

The convention was unanimous that the Federation should keep faith with the people and that if we were to mortgage our automobile license fees for thirty years for the building of roads that we should demand a road system that would be state-wide in reality as well as in name, should be state-wide in benefits as well as in burdens, state-wide in construction as well as on paper.

Following adjournment for luncheon, the resolutions committee made the following report:

"Bigelow, Mo., April 9, 1921.

"We, your committee on resolutions relative to the handling of Missouri's Sixty Million Dollar Bond Issue, beg leave to submit the following report, with requests:

"Be it resolved, That we, the citizens of Holt county in convention assembled, request that:

"1st. We favor a fair and equitable distribution of the proceeds of the Sixty Million Dollar Bond Issue, among the various counties of the State of Missouri, in proportion, first to the amount of automobile license issued in each county, second the assessable wealth, population and road mileage.

"2d. We are unalterably opposed to the present State Highway Commission as it now exists.

"3d. We favor the distribution of the funds derived from the sale of the Sixty Million Dollars in Bonds being disbursed through the order of the County Court and a competent engineer of the State Highway Department.

"4th. We recommend and request that the proportionate part of Holt County's funds derived from the sale of the Sixty Million bonds, be used first: For the culverts and bridges and bringing to grade such roads that have been or may hereinafter be designated.

"5th. We further request that a copy of these resolutions be furnished the Governor, Lieutenant Governor and the Speaker of the House.

"FRANK WALKER,
"WILLIAM TYSON,
"HENRY E. FEIL,
"G. H. MINTON,
"JUDGE FRED LAWRENCE."

The report of the resolutions committee was adopted unanimously on motion.

A motion was duly made and seconded that the convention elect one delegate from each township to represent Holt county at the road convention to be called at Jefferson City simultaneously with the opening of the special session of the legislature and that this list of delegates be made the permanent organization for Holt county.

The following delegates were elected:

- E. L. Gaffney, Union.
J. C. Morris, Nodaway.
A. J. Roselius, Lincoln.
Senator Geo. W. Glick, Benton.
George Swope, Minton.
W. H. Richards, Lewis.
Harry Milne, Forbes.
W. J. Glass, Forest.
Wesley Hodgins, Hickory.
John Norman, Liberty.
Lester Hodgins, Clay.

The motion carried.
Motion made and carried that each delegate be empowered to select an alternate to the Jefferson City convention, in case he was unable to attend.

Motion made and carried that a copy of the minutes of this meeting be sent to each paper in the county for publication and to ask their support in this movement.

Motion made and duly seconded and carried that Ross Nichols, County Agent, act as a publicity agent for the county organization in this movement.

Motion made, duly seconded and carried that the convention extend their thanks to the good people of Bigelow and the W. O. W. Camp, No. 35, for their hospitality and entertainment at luncheon at the noon hour.

A vote of thanks was extended to Senator Glick for his services and untiring efforts in calling this road convention and also for his activities in the whole Congressional district in this matter.

The minutes of the meeting were then read and approved unanimously. The meeting was adjourned in regular form.

In the Circuit Court of Holt County, Missouri, May Term, 1921.

The State of Missouri to the above named or described defendants, Greeting:

You are hereby notified that an action has been commenced against you in the Circuit Court of the County of Holt, in the State of Missouri, affecting the title to the following described land and tenements situate in Holt County, Missouri, to-wit: The South twenty (20) acres of the East Half of the Northeast Quarter of Section thirteen (13), Township sixty-one (61), of Range forty (40); also the Southeast fractional Quarter of said Section thirteen (13), township and range aforesaid, lying North and West of the County Road.

The said petition, among other things, alleges that plaintiffs verily believe that there are persons interested, or who claim to be interested, in said real estate, whose names they cannot insert therein because they are unknown to them; that the claims of such unknown persons are as follows:

That the claim of right, title or interest in said real estate of Nelson McReynolds, if living, is derived by virtue of a certain Warranty Deed from Robert Henderson and wife, Elizabeth Henderson, to Nelson McReynolds, of date December 23, 1865, and of record in the real estate records of Holt county, Missouri, in Book "K" at page 260, conveying the South twenty (20) acres of the East Half of the Northeast Quarter, commencing at the Southwest corner of the East Half of the Northeast Quarter of Section thirteen (13), Township sixty-one (61), of Range forty (40); thence North two hundred and twenty (220) yards; thence East one fourth (1/4) mile to the East boundary of the quarter section; thence South two hundred and twenty (220) yards, to the Southeast corner of the quarter section; thence West one-fourth (1/4) mile to the beginning, containing twenty (20) acres in said state and county; that the said Warranty Deed is the last transfer of said title, right or interest in said last described real estate; that plaintiffs have no knowledge or information as to whether said Nelson McReynolds is living or dead, that if he is dead, certain unknown persons defendants herein derive or claim to derive a title and claim to said real estate as the consort, heirs, devisees, donees, alienees and immediate, mesne or remote, voluntary or involuntary grantees of said Nelson McReynolds, if deceased.

That the claim of right, title or interest in said real estate of Martha Francis Blount and Eliza Jane Blount, if living, is derived by virtue of a certain Warranty Deed from Polly Ann Blount to Martha Francis Blount and Eliza Jane Blount of date July 10, 1861, and of record in Book "C" at page 391 of the aforesaid records, conveying the fractional Southeast Quarter of Section thirteen (13), Township sixty-one (61), of Range forty (40), lying North and West of the road in said state and county; that the said Warranty Deed is the last transfer of said title, right or interest in said last described real estate; that plaintiffs have no knowledge or information as to whether said Martha Francis Blount and Eliza Jane Blount are living or dead, that if they are dead, certain unknown persons, defendants herein, derive or claim to derive a title and claim to said real estate as the consort, heirs, devisees, donees, alienees and immediate, mesne or remote, voluntary or involuntary grantees of said Martha Francis Blount and Eliza Jane Blount, if deceased.

That the claim of right, title or interest in said real estate of Christian Huffman and John C. Yantis, if living, is derived by virtue of a certain Warranty Deed from Eliza J. Strather and husband, B. F. Strather, and Martha F. Munay to Christian Huffman and John C. Yantis, of date March 17th, 1868, and of record in Book "M" at page 274 of the aforesaid records, conveying the fractional Southeast Quarter of Section thirteen (13), Township sixty-one (61), of Range forty (40), lying North and West of the road in said state and county; that the said Warranty Deed is the last transfer of said title, right or interest in said last described real estate; that plaintiffs have no knowledge or information as to whether said Christian Huffman and John C. Yantis are living or dead, that if they are dead, certain unknown persons, defendants herein, derive or claim to derive a title and claim to said real estate as the consort, heirs, devisees, donees, alienees and immediate, mesne or remote, voluntary or involuntary grantees of said Christian Huffman and John C. Yantis, if deceased.

The said petition is returnable on the first day of the next term of said court, to be held at the court house in the city of Oregon, in the county and state aforesaid, on the 16th day of May, 1921, when and where you may appear and answer or otherwise defend such action; otherwise plaintiffs' petition will be taken as confessed and judgment rendered accordingly.

It is further ordered that a copy hereof be published in The Holt County Sentinel, a weekly newspaper printed and published in said Holt County, for four weeks successively; the last

insertion to be at least thirty days prior to said 16th day of May, 1921.
